

DEEP SLEEP

PATIENT EDUCATION SHEET

WHAT IS DEEP SLEEP?

DEEP SLEEP is an all natural sleep aid formulated with multiple natural products to assist you falling asleep. This proprietary blend of natural herbs and plant extracts work together to help calm the mind, allowing sleep to be more inviting. This sleep supplement utilizes its unique mix of naturally occurring components to reduce anxiety and promote sleep.

DEEP SLEEP

PATIENT EDUCATION SHEET

Recommended dosing:

Take two capsules of DEEP SLEEP by mouth thirty minutes before bed with a glass of water. Dosing may vary.

Why take DEEP SLEEP?

DEEP SLEEP is beneficial for helping falling asleep faster, waking up refreshed, feeling rejuvenated, and sleeping through the night. It is non-addictive and is perfectly safe for healthy adults.

Who should use DEEP SLEEP?

DEEP SLEEP is a great tool for any and all individuals that have trouble falling asleep, not getting enough sleep, or are just experiencing an overall sense of tiredness. DEEP SLEEP works for both men and women. DEEP SLEEP should not be used by children. If you have a heart condition, take prescription medications, or if you are pregnant or breastfeeding, consult with your doctor before use.

DEEP SLEEP's Benefits:

DEEP SLEEP is formulated with a blend of herbs and extracts that won't cause a hangover in the morning like you get from most sleep medications.

- Restful sleep
- Fall asleep faster
- Sleep through the night
- Wake up refreshed
